THE RIGHT MULTIFUNCTIONAL FOR YOUR TEAM.

The new TASKalfa 181 and 221 are highly flexible multifunctional devices for all documents up to A3. Print and copy speeds of up to 18/22 pages A4 and 8/10 pages A3 per minute give them enough power to get your team through a busy day. And with an image resolution of 600 dpi and a greyscale of 256 shades, the image quality is superb. Add in optional scan and fax functions for even greater flexibility or an additional paper cassette to keep up the workflow on larger jobs. Or choose the optional duplex unit for double-sided printing to reduce your paper costs and make these economical multifunctionals even more efficient. Whatever your needs, the flexibility, very compact design and user-friendly operation of the TASKalfa 181 and 221 make them the right choice for your office.

EFFICIENCY FOR YOUR OFFICE

Excellent functionality, reliability and productivity – all in a stylish new design: that sums up KYOCERA's new TASKalfa range. The exceptional reliability of KYOCERA's long-life components builds the basis for this range of office devices. From the bottom cassette grip all the way up to the convenient control panel, everything has been designed and optimised to provide maximum functionality.

TASKALFA 181/221 HIGHLIGHTS:

- ▶ Up to 18/22 pages A4 and 8/10 pages A3 per minute
- ▶ Time to first copy: 5.7 seconds or less
- ▶ Standard network print function
- ▶ Optional duplex unit for cost-saving double-sided printing
- ▶ Optional 50-sheet reversing document processor for effortless copying, scanning and faxing
- ▶ 600dpi laser technology with 256 grayscale copying for crisp text and realistic photos
- ▶ TASKalfa 181: 400-sheet, TASKalfa 221: 700-sheet standard paper capacity (expandable to 1,300 sheets)
- ▶ Long-life components for exceptional efficiency and reliability

PRINT: QUICK DELIVERY, EXCELLENT QUALITY

The TASKalfa 181 and 221 come with the network printing function as standard, together with a convenient user interface that provides fast, intuitive control of all settings. The optional hard disk drive opens up a whole spectrum of possibilities such as the Virtual Mailbox or Private Print functions. So, whether you are copying or printing from the network, or accessing any of the other efficient options – easy access and fast job completion are always ensured.

STORE: AS MANY AS YOU NEED, ANY TIME

Fast and efficient, this digital multifunction device offers a range of convenient functions that makes copying even more effective, regardless of whether it is just a single sheet or a multipage document. Electronic documents can even be saved on the multifunctional for fast, convenient access (optional HD-5A is required). Or consider the layout mode, which lets you reduce either two or four originals to fit onto one page.

SCAN: TURNING DOCUMENTS INTO DATA

The functionality of TASKalfa 181 and 221 can also be expanded to include scanning, opening up enhanced possibilities for both your document archiving and the electronic distribution of information. Scans can be sent directly to any PC in your company network, or attached directly to e-mails as either a PDF or a TIFF document.

FAX: SPEED UP YOUR BUSINESS COMMUNICATIONS

The optional fax unit is a helpful addition when getting your information out quickly is important. With the optional document processor, the TASKalfa 181 and 221 can read double-sided documents in both A4 and A3. Installed together with the scan unit, these devices can be used as a convenient network fax.

These highly efficient multifunctional devices are a great help in day-to-day office routines. Their durable components guarantee efficient, reliable operations. And with options such as additional paper cassettes, a document processor for double-sided input, a job separator or an internal finisher that staples up to 30 sheets, they can be tailored toward your company's specific needs.
